Imagine where you’ll go

Whether you are reaching for new horizons, traversing the unknown or simply popping out for a coffee, the new S-Cross will take you there. With its bold European styling, smooth 6 speed auto and extra-roomy interior, you have the freedom to explore it all. The advanced 5-star safety features and exceptional efficiency (5.9-6.3 L/100km combined cycle) of a 1.6 VVT or 1.4 Boosterjet engine provide the assurance of smooth performance. All that remains is to imagine where you’ll go.

6-STAGE AUTO
With the close ratios of the 6-stage automatic gearbox, the gear shifts are almost imperceptible. When you’re ready for some fun, take control using the paddle shifters on the steering wheel.

PRESTIGE ENGINE
The advanced 1.4L Boosterjet direct-injection turbo petrol engine delivers 29% more power and a massive 40% more torque than the 1.6 model while still achieving amazing fuel economy.

Power: 103 kW
Torque: 220 Nm
Fuel: 5.9 L/100 km combined

LTD ENGINE
The 1.6 VVT engine is optimized for superior fuel economy and smooth performance across the rev range.

Power: 88 kW
Torque: 156 Nm
Fuel: 6.0-6.3 L/100 km combined
Spread your wings

S-Cross is all about having no limits. For a big load of cargo, big dreams, or a big family, the innovative SUV design accommodates it all with room to spare. Its flexibility gives you options: more things to carry, more places to go, and more ways to enjoy life. The elegant lines of the S-Cross flow smoothly from the front to the back. No matter what angle, no matter where you go, the message is the same; live life to the full.

ADVANCED HEADLAMPS
Prestige models feature auto-levelling and light-sensing LED projector headlamps as well as LED positioning lamps.

FRONT FOG LAMPS
Chrome-accented fog lamps echo the dynamic contours of the headlamps.

INTEGRATED ROOF RAILS
The black (LTD) or silver (Prestige) roof rails combine sharp looks with aerodynamic smoothness, and ensure the S-Cross is always ready for your next adventure.

AERODYNAMIC MIRRORS
The body-coloured door mirrors are shaped for low drag, low wind noise, and accordingly superior fuel economy. They are electrically adjustable and auto-folding, and have built-in turn-signal lamps.

ADJUSTABLE STEERING WHEEL
Telescopic and tilt adjustment on the steering wheel allows drivers to position it according to their size and personal preference.

BUILT TO TRAVEL
Even with five people aboard, there’s up to 440 litres of luggage space. A multi-position luggage board, light, luggage hooks and a 12V accessory socket provide added convenience. The 60:40 rear seat configuration allows larger items to be stored easily in the rear.

ROOMIER CABIN
Five adults can stretch out in comfort with increased cabin room compared to most models in the class. Plentiful legroom assures a relaxing ride.

Feel the difference
Step inside the S-Cross and you’re immediately wrapped in refinement. You feel the quality in the plush seats and sophisticated interior and sense that every detail is exactly where it should be. The highly advanced yet user-friendly multimedia Sat Nav system with Bluetooth connectivity, Apple CarPlay and reversing camera are at the ready. The car becomes part of you, as inspired and excited about exploring the world as you are.

KEYLESS ENTRY AND START
Lets you unlock the vehicle by pressing a button on the door handle, and start the car while the key stays safely in your pocket.

CRUISE CONTROL & SPEED LIMITER
Cruise control maintains your speed to a set level, while the speed limiter function allows you to set a maximum speed for safe driving.

INFORMATION, ENTERTAINMENT, AND CONNECTIVITY
The 7-inch touchscreen display comes with a built-in reversing camera to help you park and back-up safely. It also gives you intuitive access to a range of multimedia features including audio, hands-free phone, navigation, and smartphone integration.

APPLE CARPLAY
allows you to connect your compatible iPhone via USB. Then you can make phone calls, access your music, send and receive messages, and get directions using voice command or touchscreen.

ANDROID AUTO
puts Google Maps, Google Search and other Google services at your fingertips.

HANDS FREE CALLING
Bluetooth® connectivity allows you to answer calls while you’re travelling, without moving your hands from the wheel or your attention from the road.

DUAL-ZONE CLIMATE CONTROL
Dual-zone climate control gives personalised comfort by setting the driver and front passenger set temperatures independently of each other.

7 INCH TOUCHSCREEN
To keep you entertained and informed, S-Cross has a centrally located 7-inch touchscreen display. This features a voice-activated audio navigation system, smartphone connectivity, and a reversing camera. With Bluetooth, S-Cross is wirelessly connected to your music and contacts on your smartphone for hands-free operation. Plus with Apple CarPlay and Android Auto you can access a range of phone apps to simultaneously broadcast on the touchscreen display.

HANDS FREE CALLING
Bluetooth® connectivity allows you to answer calls while you’re travelling, without moving your hands from the wheel or your attention from the road.

For more information and to check the compatibility of your device with any of the different technologies, please visit the relevant website for Apple CarPlay®. Apple CarPlay® is a registered trademark of Apple Inc. Android Auto™, Google Maps™ and Google Search™ are trademarks of Google Inc.
Choose your drive

The S-Cross AWD is a true all-weather, all-terrain, all-you-need performer built to challenge expectations on and off road. Its strong go-anywhere performance and smart design inspires new directions. Suzuki’s unparalleled experience comes to the fore with the integration of ALLGRIP technology, a system designed to maximise the performance of the transmission, engine and safety systems depending on road surfaces and conditions. With four selectable ALLGRIP SELECT modes, you are able to easily modify the S-Cross’ handling at the touch of a button. Now, see how far that freedom can take you.

<table>
<thead>
<tr>
<th>Mode</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>SPORT</td>
<td>Improves cornering performance by allocating more torque to the rear wheels. Engine response is improved by optimizing the accelerator and torque characteristics.</td>
</tr>
<tr>
<td>AUTO</td>
<td>Prioritises fuel economy in typical driving conditions. The system automatically switches to 4WD if it detects slippage.</td>
</tr>
<tr>
<td>SNOW</td>
<td>Optimal for snowy, unpaved, and other slippery surfaces. Enhances traction during acceleration and promotes stability.</td>
</tr>
<tr>
<td>LOCK</td>
<td>For getting out of snow, mud, or sand. Allocates more torque to the rear wheels, while the ESP and other control technologies are optimised to get the car free.</td>
</tr>
</tbody>
</table>
Explore with confidence
Let your sense of adventure take the lead in the S-Cross. Set out in a vehicle that's been designed and built for the unexpected. High performance technologies help keep you safe on the road, backed up by top-of-the-line safety features. Take the adventurous road. Take the safe road. They’re the same in the new S-Cross.

5-STAR SAFETY
S-Cross has been awarded the maximum ANCAP safety rating of 5 stars, and is acknowledged as one of Europe’s safest cars.

SAFETY-ENGINEERED BODY
The body incorporates Suzuki’s TECT (Total Effective Control Technology) for lightness and occupant safety. Crash zones absorb and dissipate energy, and remaining energy is directed around the cabin.

ABS WITH EBD
Braking force on each wheel is automatically adjusted to provide exactly the right amount of pressure and bring the car to a safe, controlled stop.

BRAKE OVERRIDE SYSTEM
All models are fitted with throttle override technology, enabling the driver to halt the car in the unlikely event the brake and accelerator pedal are depressed at the same time. Should impact occur, the brake pedal will detach, further protecting the driver.

SEATBELTS
Front seats are equipped with three-point ELR seatbelts with pretensioners and force limiters for enhanced safety. Rear seats include three-point ELR seatbelts, two ISOFIX and three child seat tether anchorages.

SEVEN AIRBAGS
Extra protection comes from front and side airbags for the driver and front passenger, a knee airbag for the driver, and left and right side curtain airbags.

ESP® CONTROL SYSTEM
An Electronic Stability Programme (ESP) supplements the inherent stability by automatically adjusting the engine and brakes if the wheels lose traction.

HILL-HOLD ASSIST
Hill-hold assist prevents the vehicle from rolling backwards when moving your foot from the brake to the accelerator pedal, making hill-starts safer.

REAR PARKING SENSORS
Four ultrasonic sensors in the rear bumper help with parking by detecting obstacles and sending a visual and audio warning to the driver (Prestige).
Consumption will vary due to factors such as vehicle condition, driving style and traffic conditions.

Suzuki New Zealand Ltd reserves the right to change, without notice, prices, colours, materials, equipment, specifications and models, and also to discontinue models. Fuel Standard and optional equipment available may vary from time to time. Some international models illustrated – please enquire at your Suzuki dealer for exact specifications.
When you buy a Suzuki, you're not just buying a car; you're joining the Suzuki family – the Suzuki Way of Life. We make some of the world’s favourite compact vehicles and take great pride in the level of service and support we offer our customers. Our New Zealand dealer network is second to none and we've won more independent customer satisfaction awards than any other manufacturer.

**BIG ON SMALL CARS AND SUVS**

Suzuki is one of the biggest car makers on the planet today, and we got here making small cars. We didn't just jump on the efficiency bandwagon; we've been leading the way for over 100 years – it's in our DNA. No other manufacturer can match our experience. Today, as the world becomes increasingly motorised, the mantra of 'smaller, fewer, lighter, cleaner' takes on even more importance. With Suzuki’s small car expertise we’re leading the way with a range of small cars and SUVs designed for modern lifestyles. Featuring next-generation technology, our highly fuel-efficient compact vehicles are purpose-built for minimum environmental impact and maximum enjoyment. In New Zealand, Suzuki's new vehicle fleet is the cleanest of any mainstream brand. (2017 result for top 10 vehicle manufacturers.)

**INVOLVED IN OUR COMMUNITY**

Suzuki New Zealand support a number of organisations and worthy causes in our community. We encourage kiwis to get involved in an active lifestyle at all levels. We help out with fun events with a focus on family, community, and the environment and we support the things Kiwis care about.

**LEUKAEMIA & BLOOD CANCER NZ**

With a vision to cure and a mission to care, this amazing organisation works tirelessly helping everyday Kiwis come to terms with leukaemia, lymphoma, myeloma and related blood conditions. Last year, the frontline support services team covered more than 50,000 kilometres in their brightly coloured Suzuki Balenos and Swifts; providing patients, their family and friends with emotional and practical support.

**AA DRIVING SCHOOL**

With over 1.5 million members the AA is New Zealand’s largest automobile club. Their driving school is one of the most respected in the country and includes programmes for drivers of all levels. Thousands of kiwis have learnt to drive or improved their skills in the school’s fleet of modified dual control Swifts. Swift’s 5-star safety, agility and easy handling make it the perfect choice for learners.

**MAKING DRIVERS SAFER**

To help make our roads safer for everyone, Fleetcoach has developed a virtual driver training programme for employers to identify, train and upskill their staff. State-of-the-art interactive videos put drivers behind the wheel of a Suzuki, allowing them to identify driving hazards and improve their road safety skills online.
REAL VALUE

Real Value isn’t just about sharp pricing, it’s about worry-free enjoyment of your new Suzuki and protecting its on-going value.

5 YEAR WARRANTY PACKAGE

A comprehensive 3 year/100,000 km new vehicle warranty. This covers your entire vehicle for the most important part of its lifecycle and includes a 2 year powertrain warranty extension for a total of 5 years worry-free motoring.

5 YEAR SUZUKI ASSIST

This is one of New Zealand’s most comprehensive roadside assistance programmes. It has you covered all day, every day for 5 years from when you first buy your Suzuki – no matter how many kilometres you travel.

SUZUKI BENEFITS PROGRAMME

Purchasing a Suzuki gives you access to the Suzuki Benefits Programme offering a host of benefits like discounts on fuel, rental vehicles, insurance, accommodation and a whole lot more.
