It’s time to play

When you’re in the mood for fun, the new Vitara is ready to deliver! Sporting a hot new look and packed with smart technology, this versatile SUV once again sets the bar for on and off-road performance, ease of use, and fuel efficiency.
Extra points for style

When you look good you feel good - and the Vitara is stunning from every angle. Its bold design combines rugged SUV presence with refined 17-inch alloy wheels, sparkling LED daytime running lights, and rear privacy glass to make it the epitome of sophisticated urban chic.
Comfort and convenience

Whether you’re heading to work or play, driving the Vitara is pure pleasure. Elegant lines, subtle curves, and chrome contrasts tie together the Vitara’s unique interior styling while the leather bound steering wheel integrates audio, handsfree, and cruise controls for ultimate ease of use.

4.2-INCH COLOUR DISPLAY
Set directly ahead of you between the speedometer and tachometer is a digital LCD screen that displays key driving information. This includes drive mode, engine output, torque, driving range, fuel consumption, trip details, and ALLGRIP mode (AWD only).

CLIMATE AIR-CONDITIONING
Climate air-conditioning ensures every journey is a comfortable one. Dial in your desired temperature quickly and easily with digital accuracy. There’s even a special pollen filter that removes dust and other particles so you can breathe easy - especially useful when you’re out exploring the countryside.

CRUISE CONTROL AND SPEED LIMITER
Cruise control maintains your speed to a set level, while the speed limiter function allows you to set a maximum speed for safe driving.

PUSH BUTTON START
Keyless start saves you fumbling for your keys every time you get in and is especially handy if your arms are full. It’s more secure than a regular key, plus it prevents you from locking yourself out.

7-INCH TOUCHSCREEN
To keep you entertained and informed the new Vitara has a centrally located 7-inch touchscreen display. This features a voice-activated audio, navigation system, smartphone connectivity, and a reversing camera.

BLUE TOOTH & USB
Bluetooth® lets you connect wirelessly to your music and contacts on your smartphone. You can answer calls while you’re travelling or change tracks without taking your hands off the wheel. You can also connect your smartphone or device via USB.

REVERSING CAMERA
Now you can reverse safely without having to twist around in your seat. It makes parking easier and can be a lifesaver when kids or animals are around.

APPLE CARPLAY
Make phone calls, access your music, send and receive messages, and get directions using voice command or touchscreen.

ANDROID AUTO™
Puts Google Maps™, Google Search™ and other Google services at your fingertips.

MAPS
To help you get where you’re going - or explore the road less travelled, the Vitara has a built-in satellite navigation system with easy to follow maps.

Advanced Forward Detection System

To help support your safe driving, the Vitara Turbo also comes with Suzuki’s Advanced Forward Detection System. This employs a state-of-the-art monocular camera, laser sensor, and millimetre-wave radar with the aim of aiding the driver to avoid a collision or mitigate the damage.

The Advanced Forward Detection System includes:
- Dual Sensor Brake Support (DSBS)
- Lane departure warning
- Weaving alert
- Adaptive cruise control

DUAL SENSOR BRAKE SUPPORT (DSBS)

Vitara Turbo’s monocular camera “sees” mid-to-long distance and can detect pedestrians. It also has a laser sensor for short distances and at night. Using information from these sensors it can detect a potential collision and act accordingly.

1. Alerts the driver with an audio warning and visual warning.
2. Deploys brake assist to increase braking force if the risk of collision is high and the driver panic brakes.
3. Applies strong automatic braking if the risk of collision increases even more.

BLIND SPOT MONITOR

Lane changing at speeds above 15 km/h is made safer by two rear mounted side radar sensors capable of detecting vehicles located in or approaching the rear blind spots on either side of the vehicle. When a vehicle is detected a warning LED icon is illuminated in the exterior mirror. If the driver indicates to change lanes, a flashing LED icon is accompanied by a warning sound alert (Turbo).

REAR CROSS TRAFFIC ALERT

This assists the driver to manoeuvre more safely out of parking spaces where vision is obstructed. When reversing, at speeds of up to 8 km/h, the vehicle uses two rear mounted side radar sensors to assist the driver by alerting them of approaching vehicles on either side. The driver is given both a visual alert on the multi information display and a warning sound (Turbo).

LANE DEPARTURE WARNING

At 60 km/h or faster this feature predicts your course and if you drift, vibrates the steering wheel and gives you a visual warning (Turbo).

WEAVING ALERT

This system calculates your driving pattern and issues audio and visual warnings if it detects you’re ‘wandering’ due to driver fatigue, for example (Turbo).

ADAPTIVE CRUISE CONTROL

The adaptive cruise control system uses millimetre-wave radar to automatically maintain your following distance depending on the setting selected and vehicle speed (Turbo).

PARKING SENSORS

Parking is safer and easier with ultrasonic sensors in the front and rear bumpers that detect obstacles and send you a warning you can both see and hear (Turbo).

Play it safe

Having fun shouldn’t be a risky business and the Vitara has been designed with your safety in mind. Thanks to a combination of TECT body design, 7 airbags and a suite of electronic systems including ABS with Electronic Brakeforce Distribution and hill hold control (Auto), the Vitara offers exceptional driver and passenger protection and sports a 5 star ANCAP safety rating.

Safety ★★★★★

* Please do not rely on the Advanced Forward Detection System. It is only an aid and the ability to detect obstacles and lanes, and control the vehicle is limited. Always drive safely.
Power Play

Nothing beats the feeling of freedom and fun that you get from the Vitara, and thanks to Suzuki’s unmatched engine expertise, there’s no trade-off between performance and efficiency. Boasting a 1.6 VVT or the incredible BoosterJet Turbo, the Vitara offers agile performance in the city, effortless open road cruising, and plenty of off-road muscle when it’s time to play. The Vitara offers all the performance and power of an SUV with the fuel efficiency you’d expect from a compact car.

1.4 BOOSTERJET TURBO
The advanced Boosterjet direct-injection turbo petrol engine delivers 20% more power and a massive 40% more torque than the 1.6 model while still achieving amazing fuel economy.

- Power: 103 kW
- Torque: 220 Nm
- Fuel: 5.9-6.2 L/100 km combined

1.6 VVT
The JLX model’s 1.6 VVT engine is optimized for superior fuel economy and smooth performance across the rev range.

- Power: 86 kW
- Torque: 156 Nm
- Fuel: 5.8-6.5 L/100 km combined

TECT BODY DESIGN
The beauty of the new Vitara’s body goes more than skin deep. Incorporating Suzuki’s TECT (Total Effective Control Technology) makes the Vitara lighter and safer with crumple zones to absorb and dissipate energy.
Just push play

Feeling playful? Get out of town and leave the road behind to see the Vitara really shine! Its ALLGRIP technology maximises the performance of the transmission, engine and safety systems depending on road surfaces and driving conditions. With four ALLGRIP SELECT modes you can easily modify the Vitara’s handling with a flick of a dial. So push play and navigate roads less travelled with sure-footed confidence, control, and handling.

**AUTO MODE**
Prioritises fuel economy in typical driving conditions and automatically switches to 4WD when it detects slippage.

**SNOW MODE**
Optimal for snowy, unpaved and other slippery surfaces, the traction is enhanced during acceleration to give stability and control.

**SPORT MODE**
Improves cornering performance and engine response by optimizing the accelerator and torque characteristics.

**LOCK MODE**
For getting out of snow, mud, or sand, more torque is distributed to the rear wheels, while ESP and other control technologies are optimised to free the car.

The personal touch

No two drivers are the same, so when you're looking for a few final touches to the interior or significant exterior enhancements, there is no shortage of choice. Bring out the Vitara’s bold character with the Rugged accessory range (pictured left) or add some finesses with the Urban range (pictured right). Make the Vitara truly your own.

ACCESSORIES

### Equipment and Specifications

#### Comfort
- Power steering
- Tilt and telescopic-adjustable steering column
- Electric adjustable front and rear seats
- Steering wheel paddle shifters (Auto)
- Cruise control and speed limiter
- ALLGRIP® 4-mode driving dial
- Entry and start: Remote with hazard sounder-back
- Keyless entry and push-button start
- Climate air conditioning with pollen filter
- Media system: 7-inch touchscreen
- Apple CarPlay
- Android Auto™
- Satellite navigation
- USB input
- Reversing camera
- Handbrake (brake) (connectability)
- Four-speaker system
- Six-speaker system
- Starlight mirrors
- Electrically adjustable
- Electrically folding with turn signals
- Heated

#### Instrument Panel
- Tachometer
- Illuminated instrument panel with chromed
- Information display: 6-inch colour LCD
- Digital clock
- Gear position indicator (auto)
- Outside temperature gauge
- Fuel consumption (instantaneous)
- Driving range
- Average speed
- Vehicle performance sensors
- ALLGRIP® driving mode indicator
- Lights-on key reminder and door-ajar warning lamp
- Seatbelt warning system for all seating positions

#### Exterior
- Wheel arch & under protection mouldings
- Solid plate front and rear
- Side step rails
- Chrome accent grille
- Chrome front bumper garnish
- Headlamps: Halogen multi-reflector
- Halogen multi-reflector & LED projector
- Blue accent headlamp covers
- LED daylight running lamps
- Automatic light-sensing
- Auto-leveling
- Rear LED combination lamps
- Rear reverse lamp
- Front fog lamps
- Windscreen wipers: 2-speed, variable, intermittent, washer
- Rear 1-speed, intermittent, washer
- Auto-reverse sensing
- Privacy glass (rear passenger, three quarter & hatch)
- Tyres and wheels: 215/55R17 grey alloy wheels
- Temporarily spare wheel

#### Safety and Security
- ABS with EBD and brake assist function
- Brake override system
- Seat belt reminder sensor
- Auto-dimming rear view mirror
- Adaptive cruise control
- Lane departure warning
- Steering alert
- Hill hold assist
- Hill descent control
- Electronic stability programme (ESP®)
- Power steering
- 4-wheel disc brakes
- Parking proximity sensors (4 front and 4 rear)
- Brake and clutch decoupling mechanism
- Collapsible steering column
- Emergency brake support
- Brake override system

#### Infotainment
- Apple CarPlay
- Android Auto
- Bluetooth®

- Cylinder: 4
- Valves: 16
- Displacement (cm³): 1,586
- Power: 156 HP @ 4,400 rpm
- Torque: 220 Nm @ 1,500-4,000 rpm

#### Colors
- Cool White Pearl
- Cosmic Black Pearl
- Solar Yellow Metallic
- Cosmic Black Pearl (A9G)

#### Model Variants
- JLX
- JLX Turbo
- AWD

#### Specifications
- Engine Type: 1.4L 16V
- Fuel: Petrol
- Drivetrain: Front wheel drive
- Transmission: Continuously Variable Transmission (CVT)
- Drive Mode: 2WD, 4WD
- Seating: 5
- Capacity: 4
- Door Types: 5
- Drivetrain: 2WD, 4WD
- Brakes: Disc, Disc
- Fuel: Petrol
- Fuel Consumption: 7.1
- Emissions: 78.0 g/km

When you buy a Suzuki, you’re not just buying a car, you’re joining the Suzuki family – the Suzuki Way of Life. We make some of the world’s favourite compact vehicles and take great pride in the level of service and support we offer our customers. Our New Zealand dealer network is second to none and we’ve won more independent customer satisfaction awards than any other manufacturer.

**BIG ON SMALL CARS AND SUVS**

Suzuki is one of the biggest car makers on the planet today, and we got here making small cars. We didn’t just jump on the efficiency bandwagon, we’ve been leading the way for over 100 years – it’s in our DNA. No other manufacturer can match our experience. Today, as the world becomes increasingly motorised, the mantra of ‘smaller, fewer, lighter, cleaner’ takes on even more importance. With Suzuki’s small car expertise we’re leading the way with a range of small cars and SUVs designed for modern lifestyles. Featuring next-generation technology, our highly fuel-efficient compact vehicles are purpose-built for minimum environmental impact and maximum enjoyment. In New Zealand, Suzuki’s new vehicle fleet is the cleanest of any mainstream brand. (2018 result for top 10 vehicle manufacturers.)

**INVOLVED IN OUR COMMUNITY**

Suzuki New Zealand support a number of organisations and worthy causes in our community. We encourage kiwis to get involved in an active lifestyle at all levels. We help out with fun events with a focus on family, community, and the environment and we support the things Kiwis care about.

**LEUKAEMIA & BLOOD CANCER NZ**

With a vision to cure and a mission to care, this amazing organisation works tirelessly helping everyday Kiwis come to terms with leukaemia, lymphoma, myeloma and related blood conditions. Last year, the frontline support services team covered more than 50,000 kilometres in their brightly coloured Suzuki Balenos and Swifts; providing patients, their family and friends with emotional and practical support.

**MAKING DRIVERS SAFER**

To help make our roads safer for everyone, Fleetcoach has developed a virtual driver training programme for employers to identify, train and upskill their staff. State-of-the-art interactive videos put drivers behind the wheel of a Suzuki, allowing them to identify driving hazards and improve their road safety skills online.
REAL VALUE

Real Value isn’t just about sharp pricing, it’s about worry-free enjoyment of your new Suzuki and protecting its on-going value.

5 YEAR WARRANTY PACKAGE

A comprehensive 3 year/100,000 km new vehicle warranty. This covers your entire vehicle for the most important part of its lifecycle and includes a 2 year powertrain warranty extension for a total of 5 years worry-free motoring.

5 YEAR SUZUKI ASSIST

This is one of New Zealand’s most comprehensive roadside assistance programmes. It has you covered all day, every day for 5 years from when you first buy your Suzuki – no matter how many kilometres you travel.

SUZUKI BENEFITS PROGRAMME

Purchasing a Suzuki gives you access to the Suzuki Benefits Programme offering a host of benefits like discounts on fuel, rental vehicles, insurance and a whole lot more.
