

Lever

# LEVER, TURN SIGNAL, REARVIEW MIRROR, MUFFLER

The following parts are sometimes replaced by non genuine parts, because some customers choose them for design and function purpose in their preferences. However, we strongly recommend to use Suzuki Genuine Parts as replacements.

Every Suzuki Genuine Part meets all the relevant safety standards, proving quality high enough to assure safety. We also recommend to use Suzuki Genuine Parts because they have been designed by Suzuki designers to be the forms matched to the esthetic shape of each model.

By using Suzuki Genuine Parts, you can reproduce the original performance of a motorcycle for both functionality and appearance.

**Note:**

The spare parts on the photographs are for specific model.

They may be different from the parts for your motorcycle.

Please ask the authorized Suzuki dealers for the details.

**Turn signal**

**Rearview mirror**

**Muffler**
