The interior space is thoughtfully designed with ample space for front and rear passengers to relax and lots of clever little touches around the cabin make every journey enjoyable.

A PLACE FOR EVERYTHING
From the thoughtful compartments to the practical hatchback boot, every space in the Baleno has a purpose. You’d be hard-pressed to find a larger luggage area in this class with 355 litres of space for all of your groceries, golf clubs, and odd-shaped items from the garden centre.

COMFORT BEHIND THE WHEEL
The Baleno’s steering column tilts up and down (GLX) and telescopically (RS) for driver comfort. The ergonomically designed front seats have been widened for more shoulder room and a wider rear seat means even the longest journeys will be fidget free.

**REVERSE CAMERA**
Now you can reverse safely without having to twist around in your seat. It makes parking easier and can be a lifesaver when kids or animals are around.

**GUIDE ME LIGHTS**
The Baleno’s guide-me headlamps continue to illuminate the road for a short while after you get out. When the doors are unlocked with the remote control, the headlamps turn on to lead you to and from the vehicle.

**SAFETY-ENGINEERED BODY**
