Imagine where you’ll go

Whether you are reaching for horizons, traversing the unknown or simply popping out for a coffee, the S-Cross will take you there. With its bold European styling, smooth 6 speed auto and extra-roomy interior, you have the freedom to explore it all. The advanced 5-star safety features and exceptional efficiency (5.9-6.3 L/100km combined cycle) of a 1.6 VVT or 1.4 Boosterjet engine provide the assurance of smooth performance. All that remains is to imagine where you’ll go.
Spread your wings

S-Cross is all about having no limits. For a big load of cargo, big dreams, or a big family, the innovative SUV design accommodates it all with room to spare. The elegant lines of the S-Cross flow smoothly from the front to the back. No matter what angle, no matter where you go, the message is the same; live life to the full.
Feel the difference

Step inside the S-Cross and you’re immediately wrapped in refinement. You feel the quality in the plush seats and sophisticated interior and sense that every detail is exactly where it should be. The highly advanced yet user-friendly multimedia Sat Nav system with Bluetooth connectivity, Apple CarPlay, Android Auto™ and reverse camera are at the ready. The car becomes part of you, as inspired and excited about exploring the world as you are.

2-INCH TOUCHSCREEN

To keep you entertained and informed, the S-Cross has a centrally located 7-inch touchscreen display. This features a voice-activated audio navigation system, smartphone connectivity, and a reverse camera. With Bluetooth, the S-Cross is wirelessly connected to your music and contacts on your smartphone for hands-free operation. Free with Apple CarPlay and Android Auto™ you can access a range of phone apps to simultaneously broadcast on the touchscreen display.

REVERSE CAMERA

Reverse safely without having to twist around in your seat with the built-in reverse camera. It makes parking easier and can be a discover when children or animals are around.

APPLE CARPLAY

allows you to connect your compatible iPhone via USB. You can make phone calls, access your music, send and receive messages, get directions using voice command for hands-free.

ANDROID AUTO™ puts Google Maps, Google Search and other Google services at your fingertips.

Choose your drive

The S-Cross AWD is a true all-weather, all-terrain, all-you-need performer built to challenge expectations on and off road. Its strong go-anywhere performance and smart design inspires new directions. Suzuki’s unparalleled experience comes to the fore with the integration of ALLGRIP technology; a system designed to maximise the performance of the transmission, engine and safety systems depending on road surfaces and conditions. With four selectable ALLGRIP SELECT modes, you are able to easily modify the S-Cross’s handling at the touch of a button. Now, see how far that freedom can take you.

- **SPORT MODE**
  - Improves cornering performance by allocating more torque to the rear wheels.
  - Engine response is improved by optimizing the accelerator and torque characteristics.

- **AUTO MODE**
  - Prioritises fuel economy in typical driving conditions. The system automatically switches to 4WD if it detects slippage.

- **SNOW MODE**
  - Optimal for snowy, unpaved, and other slippery surfaces.
  - Enhances traction during acceleration and promotes stability.

- **LOCK MODE**
  - For getting out of snow, mud, or sand. Apportions more torque to the rear wheels, while the ESP and other control technologies are optimised to get the car free.
Explore with confidence

Let your sense of adventure take the lead in the S-Cross. Set out in a vehicle that’s been designed and built for the unexpected. High performance technologies help keep you safe on the road, backed up by top-of-the-line 5-star safety features. Take the adventurous road. Take the safe road. They’re the same in the S-Cross.

SAFETY-ENGINEERED BODY
The S-Cross’s body incorporates Suzuki’s TECT (Total Effective Control Technology) for lightness and occupant safety. Crumple zones absorb and dissipate energy, and remaining energy is directed around the cabin.

ABS WITH EBD
Braking force on each wheel is automatically adjusted to provide exactly the right amount of pressure and bring the car to a safe, controlled stop.

BRAKE OVERRIDE SYSTEM
All models are fitted with throttle override technology, enabling the driver to halt the car in the unlikely event the brake and accelerator pedal are depressed at the same time. Should impact occur, the brake pedal will detach, further protecting the driver.

SEVEN AIRBAGS
Extra protection comes from front and side airbags for the driver and front passenger, a knee airbag for the driver, and left and right side curtain airbags.

ESP® CONTROL SYSTEM
An Electronic Stability Programme (ESP®) supplements the inherent stability by automatically adjusting the engine and brakes if the wheels lose traction.

HILL HOLD CONTROL
Prevents the vehicle from rolling backwards when moving your foot from the brake to the accelerator pedal, making hill-starts safer.

REAR PARKING SENSORS
Four ultrasonic sensors in the rear bumper help with parking by detecting obstacles and sending a visual and audio warning to the driver (Prestige).

SEATBELTS
Front seats are equipped with three-point ELR seatbelts with pretensioners and force limiters for enhanced safety. Rear seats include three-point ELR seatbelts, two ISOFIX and three child seat tether anchorages.
### 7-inch touchscreen
- Satellite navigation
- Siri speaker Tune/CD
- Bluetooth®
- Apple CarPlay and Android Auto™
- USB input

### Instrument Panel
- Tachometer
- Illuminated instrument panel with cheeper
- Information display: Digital cluster
- Outside temperature gauge
- Fuel consumption (current, average, range)
- Gear position indicator
- AllGrip driving mode indicator
- Lights-on and key reminder
- Door gap warning indicator
- Sunblind retractor for all sliding positions

## INTERIOR
- Dual-zone climate air conditioning with pollen filter
- Keyless entry and push-button start
- Parking sensors
- Electrically adjustable mirrors (including side mirror heel adjust)
- Electrically folding mirrors with signal lamps
- LED position lamps
- Auto light-sensing
- Sunroof
- LED projector
- Temporary spare wheel
- 17-inch polished face alloy wheels
- 7-inch touchscreen

### SAFETY AND SECURITY
- 5-star ANCAP safety rating
- 5 year extended warranty program
- 5 year roadside assistance
- Crash rollback
- Reverse camera
- Parking proximity sensors x 4 rear
- Speed limiter
- Hill start control
- Electronic Stability Program (ESP)
- AEB with BSD and brake assist
- Brake over-ride system
- S-awd all-terrain traction
- Side impact beams
- Collapsible steering column
- Brake deceleration mechanisms
- Dual front SRS airbags
- Driver and passenger side SRS airbags
- Front and rear curtain SRS airbags
- Driver’s knee SRS airbag
- Front ECE compatible with passenger and front tunnels
- Rear-centre ECE compatible
- Child seat anchorage x 2 and tether anchorage x 3
- Child seat rear anchor locks
- Engine immobilizer

### DIMENSIONS
- Overall length | 4,300 |
- Overall width | 1,765 |
- Overall height | 1,585 |
- Wheelbase | 2,600 |
- Tread | Front: 530 |
|            | Rear: 530 |
- Ground clearance | mm 150 |
- Minimum turning radius | m 5.5 |

### WEIGHTS
- Curb weight | 2WD: kg 1,130 |
|            | 1,145 |
- Gross weight | 2WD: kg 1,170 |
|            | 1,730 |

Suzuki New Zealand Limited is a registered trademark of Suzuki Motor Corporation Japan, and is licensed by the Suzuki Motor Corporation Japan to Suzuki New Zealand Limited. Suzuki New Zealand Limited is a subsidiary of the SMC Group Limited (New Zealand).
ENJOY SUZUKI

When you buy a Suzuki, you’re not just buying a car, you’re joining the Suzuki family. We make some of the world’s favourite compact vehicles and take great pride in the level of service and support we offer our customers. Our New Zealand dealer network is second to none and we’ve won more independent customer satisfaction awards than any other manufacturer.

BIG ON SMALL CARS AND SUVS

Today, as the world becomes increasingly motorised, the mantra of ‘smaller, fewer, lighter, cleaner’ takes on even more importance. With Suzuki’s small car expertise we’re leading the way with a range of small cars and SUVs designed for modern lifestyles. Featuring next-generation technology, our highly fuel-efficient compact vehicles are purpose-built for minimum environmental impact and maximum enjoyment. In New Zealand, Suzuki’s new vehicle fleet is the cleanest of any mainstream brand. (2018 result for top 10 vehicle manufacturers.)

SUPPORTING OUR COMMUNITY

We support those things Kiwis care about; the organisations and worthy causes making a difference to New Zealand lives. Suzuki is honoured to get behind these passionate people and fun events which make a difference in our community.

LEUKAEMIA & BLOOD CANCER NZ

With a vision to cure and a mission to care, this amazing organisation works tirelessly helping everyday Kiwis come to terms with leukaemia, lymphoma, myeloma and related blood conditions. Last year, the frontline support services team covered more than 50,000 kilometres in their brightly coloured Suzuki Balenos and Swifts; providing patients, their family and friends with emotional and practical support.

AA DRIVING SCHOOL

With over 1.5 million members the AA is New Zealand’s largest automobile club. Their driving school is one of the most respected in the country and includes programmes for drivers of all levels. Thousands of kiwis have learnt to drive or improved their skills in the school’s fleet of modified dual control Swifts. Swift’s 5-star safety, agility and easy handling make it the perfect choice for learners.

MAKING DRIVERS SAFER

To help make our roads safer for everyone, Fleetcoach has developed a virtual driver training programme for employers to identify, train and upskill their staff. State-of-the-art interactive videos put drivers behind the wheel of a Suzuki, allowing them to identify driving hazards and improve their road safety skills online.
REAL VALUE

Real Value isn’t just about sharp pricing, it’s about worry-free enjoyment of your new Suzuki and protecting its on-going value.

5 YEAR WARRANTY PACKAGE
A comprehensive 3 year/100,000 km new vehicle warranty. This covers your entire vehicle for the most important part of its lifecycle and includes a 2 year powertrain warranty extension for a total of 5 years worry-free motoring.

5 YEAR SUZUKI ASSIST
This is one of New Zealand’s most comprehensive roadside assistance programmes. It has you covered all day, every day for 5 years from when you first buy your Suzuki – no matter how many kilometres you travel.

SUZUKI BENEFITS PROGRAMME
Purchasing a Suzuki gives you access to the Suzuki Benefits Programme offering a host of benefits like discounts on fuel, rental vehicles, insurance and a whole lot more.
