Way of Life!

# QuadSport Z50

## 100% FUN

Getting outside and exploring together is one of the joys of being a parent. Sharing adventure, making discoveries and having fun. That's exactly what the Suzuki QuadSport Z50 is all about. Like Suzuki's full-size, high-performance quads, it's packed with quality, and style. The difference is, the QuadSport Z50 is sized to fit the younger fun-seeker.

### KEY FEATURES

- 49cc, 4-stroke, 1-cylinder engine with a performance-enhancing cylinder provides smooth, quiet and powerful output.
- An easy-to-operate CVT (Continuously Variable Transmission) makes more torque available at lower speed for easy control and lets the engine run slower for smooth, quiet performance at the cruise.
- A simple screw-type throttle limiter allows speed and power to be adjusted to suit the rider's ability.
- Front wheels have independent single A-arm suspension for smooth riding and easy steering control.
- Swingarm rear suspension helps to ensure a smooth, balanced ride on diverse kinds of terrain.
- Full-sized floorboards keep the rider comfortable and steady.
- An electric starter promotes convenience, and an engine-stop switch enhances safety and peace of mind.
- A recoil starter is fitted as a backup for the electric starter.
- A tether-type remote engine-stop switch allows instant engine shutdown when necessary.
- A keyed ignition switch lets grown-ups decide when the action begins and ends.

The Suzuki QuadSport Z50 may be used by those aged 6 and older. Adults must always supervise riders under the age of 16. Rider must always wear a helmet, eye protection and protective clothing. Always avoid paved surfaces. Never ride on public roads. Never carry passengers or engage in stunt riding. Never exceed the vehicle load capacity of 38kg. Avoid excessive speeds. Be extra careful on difficult terrain. Read your Owner's Manual carefully.
